

May 12, 2010 – Chapel Hill, NC – The Swim for Smiles foundation is proud to announce that its annual Youth Triathlon, only in its fourth year, and with more than 530 participants, is the second-largest youth triathlon in the country. The Swim for Smiles foundation is a Chapel Hill-based non-profit that holds multi-sports events to raise money for the North Carolina Children’s Hospital. The triathlon is scheduled for this Sunday, May 16, at the Chapel Hill Country Club.

“We are thrilled to have grown so quickly,” said Swim for Smiles founder Gary Kayye. “It’s a really fun event, and we have kids coming from all over the east coast to participate. I can’t wait to see how much money we’re able to raise for the children’s hospital this year.”
